Members of Fountain of Life,

Greetings in the Name of Our Risen Lord Jesus Christ!

I commend the Special Committee – Governance for their commitment, hard work, and dedication. They bring before you a revised Constitution and Bylaws, thorough, detailed, and prudent. What they are proposing to the members of the congregation is worthy of your careful consideration. Read and understand our structure and process. If you have questions or need clarifications, please seek answers from the committee members.

I prayerfully desire for the congregation to be strongly united, in one accord, and see in the revised Constitution and Bylaws documents that which provide a sensible structure for governance and ministry. I know this has been the goal of the committee members.

Ultimately, the successful application of our Constitution and Bylaws must be lived out by each member of our congregation. While it provides a framework for an organized plan of ministry its success depends on your personal commitment, and faithfulness to its precepts, now and into the future.

I believe every member of our congregation desires our ministry to flourish and grow, and through our determined achievements, for the Kingdom of God to grow in the hearts and souls of our members, present and future. Jesus Christ commanded His disciples, hence, us too, ***“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”*** (Mt 28:19–20, otherwise known as the Great Commission) This must be our goal, which is stated clearly in the very first line of the Preamble of the Constitution, *“Since it is the will of our Lord, Jesus Christ, that the gospel be preached to all people*

I recommend the revised Constitution and Bylaws for adoption.
