

Baptism was the focus of July's Family Camp. Pastor gathered all participants in the courtyard by the Baptismal font and had three teams compete by making lists with as many words as possible that were connected with water. The teams shared their ideas with one another before Pastor had teams circle all water words that matched Biblical readings connected to Baptism. Amazingly dozens of words were found... the waters of Baptism cleanse, wash, restore, refresh...and destroy sin, overrun the devil... Can you add more to this list?

Teams raced to pop balloons and unscramble Baptismal verses using the Bible passages found on slips of paper tucked inside each balloon.
